

**Experienced, friendly  
and caring staff helping  
you to maintain your  
independence...**

We also offer a stimulating and secure environment in our Mountview Wing for residents with dementia and wandering tendencies.

All our staff are fully trained, experienced and are passionate about working with older people.

All aspects of care are thoughtfully provided here at Frank & Jess Kennett Home.

Common areas include spacious dining and lounge areas where residents and their visitors can relax and chat, and welcoming courtyards that are the perfect spot for an al fresco catch-up with family and friends.

All bedrooms feature an ensuite, TV, nurse call and individual air conditioning. Tasty and nutritious meals are planned by our aged care specialist dietitian and prepared freshly on site by our qualified Chef.

Experienced staff are on duty 24 hours per day to provide high-level care and Podiatrists and Physiotherapists are among the allied health professionals available to residents in our facility.

“ Everyone who visits me, would like to come and live here! ”

A comprehensive activities program includes bingo, reminiscence therapy, craft, pet therapy, visiting entertainers who provide music and dance, religious services and bus trips.

Residents can relax and be pampered with regular hair and beauty services.
